

## 2009 - 2010 NEW PALESTINE ATHLETIC BOOSTERS

The purpose of the organization is to encourage the community to take greater interest in athletic affairs and to financially support the athletic programs at New Palestine High School. Annually, the Booster Club contributes approximately \$20,000 to our athletic teams and cheerleaders. The Boosters are also responsible for publishing and printing the Fall and Winter Sports Programs. In order for us to continue to do this, we need everyone's support by becoming a member of the Boosters Club. For an annual contribution of \$30 your name will appear in the 2009/2010 sports program. Please return the membership form, include your \$30.00, and return it to the Athletic Department or to one of the Booster Club personnel listed below.

President: Janet Maxwell
